

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF MISSISSIPPI
EASTERN DIVISION

UNITED STATES OF AMERICA

V.

CRIMINAL NO. 2:11-cr-33-KS-MTP

DREW LEE PAQUIN

ORDER MODIFYING CONDITIONS OF SUPERVISED RELEASE

THIS CAUSE IS BEFORE THE COURT on Motion for Early Termination of Supervised Release [4] filed by Drew L. Paquin (Movant). In his Motion Movant requests that his term of Probation or Supervised Release be terminated early, and he gives as his reasons the following, "I am in a stalemate at my job until I am able to travel freely out of the southern district of MS. Because of this I have had some financial struggles. I would also like to travel freely and visit family and friends. I plan to use this second opportunity to better myself."

The Government has responded [5] and objects to the termination of Supervised Release. The Movant has submitted documentation to the Court which he claims establishes justification for the termination of Probation or Supervised Release. The documents submitted which are filed under seal are as follows:

1. Letter from Thomas Pough, LLC, licensed professional counselor
2. Letter from Movant establishing justification for termination.
3. Letter from the shop foreman at U.S. Metal Works in Liberty Mississippi, Paquin's supervisor at work
4. Letter from mother of Drew Lee Paquin, Debra A. Cook

5. Letter from Dr. Stephen W. Boyd, uncle of Movant
6. Letter from plant manager of Movant's employer, U.S. Metal Works, Inc., Liberty Mississippi

Based on the filings and the Presentence Investigation conducted in case number CR208-00021-001 in the United States District Court for the Southern District of Georgia, Brunswick Division the Court finds that Termination of Supervised Release is not appropriate at this time. However, the Court does find that there should be a modification of Supervised Release to allow movant to travel out of the district for work purposes. The office of the United States Attorney, in its answer, stated that it did not object to a modification for work travel. See (5-2) "the Government does not oppose allowing Paquin additional travel related to his employment."

Considering all of the above, the Court finds that the Supervised Release of Movant herein should be modified as follows:

Movant shall be allowed to travel for work related purposes only, outside of the Southern District of Mississippi. The requirements are that he notify his Probation Officer of the dates and locations of the travel prior to leaving the district and that he sign a written authorization giving the Probation Officer the right to verify with Movant's employer any issues or questions relating to his out of district travel for work.

Except as to the above described modification Movant's Order of Supervised Release will remain in full force and effect.

SO ORDERED this the 25th day of January, 2017.
